This gathering is open to those with intellectual disabilities and their family and friends. There are 3-4 Baby Boomer Café events held each year, which include musical entertainment, games, honouring the memories of past members, celebrating faith and family traditions, and sharing a meal together. Our celebrations have a serious purpose as well. As parents pass away, those with disabilities need relationships and friends more than ever. Baby Boomer Café is a place for us all to build relationships and community. New members are warmly welcomed.
