Tips for Completing the SDM Annual Accounting Form

Are you a Substitute Decision Maker in the area of property and struggle with completing the Annual Accounting form? Whether you are new to this role or have been acting in this role previously, then this workshop is meant for you!

This session will be an informal discussion that will provide useful tips and advice on how to complete this annual report from Continuity Care members who are experienced Substitute Decision Makers. There will be time to ask questions and share ideas. Please bring along your forms. We can work together to complete them.

This is a good opportunity to connect with others who are taking on this important role for their child or family member.
