VOLUNTEER

We are looking for volunteers to join Continuity Care's Family Advisory Committee. This important Committee provides direction and support to the Board, Executive Director and staff and provides input into the services and supports which Continuity Care offers to families in Manitoba.

In particular, we would like to recruit:

- a representative from a residential or day service organization which supports people with intellectual disabilities
- a parent of a young adult with an intellectual disability

The Family Advisory Committee meets every other month and meetings are scheduled in advance and are approximately 2 hrs in length (weekday morning or afternoon).

If you are interested and would like more information, please contact our office by phone at (204) 779-1679 or by email at info@continuitycare.ca
